Message: **A Word for a world gone Wild!**

Scripture text: **2 Chronicles 15:1-8**

Key Take-away: God always has a Word that brings order to the disorder that is around us!

G — (Grow Through the Word)

1. According to verses 5–6, what evidence shows that Israel was living in a “**wild**” time? What words or phrases describe the conditions of the nation?
2. What was at the root of the disorder that the people were experiencing? (*v. 3*)
3. In the middle of the chaos, what Word did God send to Asa through Azariah? (*vs. 1–4*)

P — (Prayerfully Ponder)

1. When Asa heard the Word of God, he acted on it. He removed the idols from the land. What things may need to be removed from my life so that I can fully seek and obey God? (*vs. 8, 16*)
2. Asa also repaired the altar of the Lord that had been neglected. What have I neglected that needs to be repaired? Consider your:

Prayer life • Worship • Relationships • Commitment to God • Service

S — (Serve)

This week, identify:

One thing to **REMOVE** — something that is distracting you from following God.

One altar to **REPAIR** — an area of your relationship with God that needs renewed attention.

One thing to **RESTORE** — a spiritual practice, relationship, or commitment that you have allowed to weaken.

Prayer

Dear Lord, thank You that no matter how wild the world becomes, You still have a Word for Your people. Help us to hear You, seek You, and courageously respond to what You say. Show us what needs to be removed, what needs to be repaired, and what needs to be restored. Give us strength not to give up, because we know that our faithful work for You will be rewarded.

In Jesus’ name, Amen.
