Message: Stepping into a new season!

Scripture text: John 5:8-9

Main Point: *With Christ change is always possible!*

1. **Review: (Grow through the Word)**

- What place did Jesus visit while in Jerusalem for one of the feasts? vs. 2
- Why should it be an encouragement for us that Jesus visits the “House of Mercy”?
- What were the people in this meeting place waiting on? vs. 3
- While there were many in the multitude, Jesus focuses on one man. What was his issue and how long had he been in this season of suffering? vs. 5?
- What does the man say in response to Jesus’ question? vs. 6-7
- What 3 fold directive does Jesus give this man so that he can get to stepping? vs. 8

2. **Reflect: (Prayerfully ponder)**

Jesus says, “Take up thy bed”. This means it would be in full view of others. What test has God brought you through that has become your testimony?

3. **Rehearse: (Serve)**

In order to get up, we have to believe God’s commands over our challenges, conditions or circumstances. Identify an area in your life where you have lost strength. By faith begin to follow God’s plan and start walking into your destiny!

Prayer: Dear Lord, I admit that I have had some challenging seasons in my life. I also admit that I am weak in some areas of my life. However I thank you for your concern and compassion for me. I believe in your ability to change any circumstance by your mighty power. Help me to follow your commands and walk into the destiny that you have for me. I love you and praise your name!

In Jesus name, Amen
