

New Mt. Moriah Baptist Church
GPS (Grow, Pray, Serve)

Pastor Mike

Date: SUNDAY AUGUST 8, 2021

Message: **RESET** our prayer-life because prayer still works!

Scripture text: Acts 12:5

Main Point: *We stand strongest when we are on our knees!*

1. Review: (Grow through the Word)

- Who was persecuting the church? vs. 1
- Which of the twelve disciples was the first to be martyred? vs. 2
- The church could not get to Peter so what did they do? vs. 5
- What was Peter doing when the angel showed up vs. 6?
- How did the iron gate of the city open up? vs. 10

2. Reflect: (Prayerfully ponder)

How are *heavenly intervention* and *human intercession* closely connected? What does this mean for your own life?

Is prayer your *first response* or your *last resort*?

3. Rehearse: (Serve)

Participate in 21 days of Prayer & Feasting and commit to the following:

- At least 5 min of Prayer (Morning & night)
- Praying for your church family over the 21 days.
- Praying for someone that God lays on your heart.

Prayer: Dear Lord, thank you for your grace and mercy and for allowing us to begin another 21 days of prayer. As we start, we ask for you to RESET our prayer life. We need your power to stay committed and consistent in calling upon you in prayer. Give us a passion to pray for your people individually as well as collectively. We believe that prayer still works because you are faithful, reliable, and dependable. We believe that as your people pray, that we will watch you work in supernatural ways. Thanks for what you will do in us and thru us during this season.

In Jesus name, Amen
