GPS (Grow, Pray, Serve)

Pastor Mike

Date: **SUNDAY MAY 29, 2022**

Message: **DO YOU SEE WHAT I SEE?**

Scripture text: John 4:35-38

**Main Point:** *When we have spiritual perception, we will see the true potential of the harvest!*

1. **Review: (Grow through the Word)**

Why did Jesus say He must go to Samaria? vs. 4-7

What was the topic of discussion at the well? vs. 7-15

How does the woman become a witness for Jesus? vs. 28-30

What does Jesus tell the disciples to open their eyes to see? vs. 35

What does the saying, "It's still four months until harvest" mean? vs. 35

What does Jesus say that those who bring in the harvest will receive? vs.36

2. **Reflect: (Prayerfully ponder)**

In the passage, as the people were coming to Jesus, He wanted the disciples to see them as the harvest and not for their hang ups. What are some ways that we get "hung up" on the "hang ups" of others?

"To the world you may be one person, but to one person you may be the world."

**Think about one person who God is directing you to share the Good News.**

3. **Rehearse: (Serve)**

Share 1 of the "Pass IT ON" cards with the person God has placed on your heart.

**Prayer:** Dear Lord, I praise You for always looking beyond our problems and seeing our potential. I pray that you give me the spiritual perception to see others as You see them. Please guide my footsteps and empower me to be a witness. Help me to have a sense of urgency to bring in those who You have made ready to receive the Good News. I believe that You can help me connect with even one individual which can lead to many others meeting the Lord!

In Jesus' name I pray, Amen!
