Message: Life's 3 Most Important Questions

Scripture text: Luke 16:19-23

Main Point: ***How we handle life, will determine how we die and where we will spend eternity!***

1. Review: (Grow through the Word)

How is the rich man described in this story? vs.19

How is Lazarus described in this story? vs. 19

From the text who seemed to see the plight of the poor man more than the rich man? vs. 21

Where did Lazarus go when he died? vs. 22

Where did the rich man go when he died? vs. 23

How do we know the rich man had his memory in hell? vs. 23-25

How do we know the rich man was in misery in hell? vs. 24,28

How do we know the rich man received no mercy in hell? vs. 25-26

Why did the rich man go to hell? vs. 30

2. Reflect: (Prayerfully ponder)

As you reflect upon this story ask yourself the following:

How am I living my life? Selfishly or unselfishly

How will I die? In my sins or to sin

Where will I spend eternity? In Heaven or in hell

3. Rehearse: (Serve)

Decide to be the modern day Moses and the Prophets and share the Gospel so that others will not go to hell! vs. 29

Prayer: Dear Lord, I come to You just as I am. I bow before your throne, recognizing that You are the Sovereign God. Thank you for speaking to me by your Spirit so that I can assuredly answer life's most important questions. Please fill me with Your Spirit so that I will live in love for You and for others. Help me to be prepared to die so that I will know that I will spend eternity with You. I pray for lost people everywhere that they will receive Your Son Jesus Christ before it's too late. Use me as your vessel to share the Gospel of Jesus Christ.

In Jesus' name I pray, Amen!
